Date June 1 1932.

Subject (in full) Meeting of local communists in Western District.

Made by D.I. Kuh Pao-hwa.

Forwarded by D.S. G. Ernest.

Some 20 workers of Japanese cotton mills who are members of the Western District Branch of the Chinese Communist Party held a meeting in an unnumbered house off Singapore Road, O.O.L. between 8 and 9 p.m. May 31. One Wong Shih Ming, who presided, reported on the failure of the plans made regarding the May 30 Anniversary, and stated that the failure was due to precautionary measures adopted by the Municipal Police which resulted in the late arrival of the literature intended for distribution. He then proposed that workers should hold 'flying' meetings simultaneously in all Japanese industrial concerns by susp ^王 ^民 nding work for one hour on June 1, the anniversaries of the 1st Day of the General Strike of 1925 following the Nanking Road Incident, and the Massacre of Chinese people by Japanese sailors in Changsha. This proposal was, however, turned down on the ground that no adequate preparations had been made.

It was then decided to hold a general meeting of representatives on June 2 (venue of meeting not decided) to discuss ways and means to commemorate the Anniversary of the Shameen Incident on June 23.
